## We're serious about sustainability!

From exploring alternative power sources to ensuring as few of our products as possible end up in landfill, at Bestway, we take our environmental responsibilities very seriously indeed. Here are just a few examples: Over 1 million square feet of our Jiangsu manufacturing facilities' rooftops have been covered with solar photovoltaic systems. In this way, over 5 megawatts of carbon-neutral electricity have been generated. We've also made a dramatic reduction in our carbon footprint and are well on the way to our target of a 25% reduction in emissions by 2020. In addition, since 2015, only phthalate-free PVC is used in the production of our above ground swimming pools, airbeds, mattresses and toys.

# WELCOME!

A Bestway summer is all about sun, fun, family and friends. Happy days that will live on in our memories for decades ever after – the beaming smile of a child happily splashing in a play pool – summer days spent relaxing with friends in and around the water. Slip on your swim vest and get ready for a thrilling season of fun with the many new items in our Bestway summer range!

WELCOME

## SWIM SAFE™

It's as simple as **A, B, C!**

The Swim Safe™ line by Bestway® is more than just swim accessories. We offer products that take a new swimmer through 3 swimming levels (A, B, C) helping them become more confident swimmers at their own pace. Our flotation devices are based on age and weight-appropriate guidelines, so parents are able to witness their child's development as they move from one level to the next!
